General Event Rules

Due to the electronic scoring system at Lee High school you must shoot in a specific heat and lane. Jennifer will email the heat and lane assignments out prior to the competition. If you miss your assigned heat and lane you will not be able to shoot. So please be checking your email and check in with Jennifer at registration Wednesday.

These event rules are modified from the International Paralympic Committee competition rules to suit the population and goals of Texas Regional Games.

Each event is considered a final and awards will be given at the end of the competition.

2018 TEXAS REGIONAL GAMES AIR GUNS COMPETITION

All events shall be fired at a distance of 10 meters. Only target grade (not "field" grade) air (compressed air or CO2) single shot rifle and pistols with iron sights firing .177 caliber soft lead match pellets can be used for competition.

Correcting lenses and telescopes cannot be attached to the weapon. If you need any type of visual aid such as binoculars you must bring them. We do not provide them.

Male and female athletes will compete in the same divisions.

We will provide air (not CO2) but you must have your own adapter.

We have a limited amount of guns to loan out and will hand them out on a first come, first serve basis.
